

19th September 2025

Dear parents and carers,

Thank you for coming to our 'Meet the teacher' sessions last week. I hope you found them useful. If you were not able to attend we have uploaded a copy of the PowerPoints on your child's class page on the website

School Councillors and Playground Buddies

This week we had a special assembly to introduce our new school councillors and playground buddies. These are two very responsible roles the children can take on throughout the year. The children are introduced to democratic voting in which everyone has a voice and a chance to vote for someone who they believe would make a good school councillor. This forms part of our PSHE and British values teaching. Everyone in Rabbit and Fox class had a chance to put their names forward to be a school councillor. The children then voted for who they wanted to represent them. The children all get a chance to suggest their ideas in their 'class councils' and then this is discussed at the main school council meeting.

Our Year 2 playground buddies have a responsible and very important role to play. They support the adults on duty to ensure all the children are playing happily at break times. They will notice anyone that may need a friend or suggest games to play.

Our school councillors

Devansh, Maggie, April, Jack P, Edward, Jessie, Sophia and Peter

Our playground buddies

Bertie, Darcie, Lily, Lucas, Oscar and Elsie

Our new website

You may have noticed we have a new website. There is lots of useful information regarding our Christian distinctiveness, curriculum, local committee, clubs etc. There are lots of quick links to help you navigate the pages quicker. Please do have a look <https://www.puttenhamschool.co.uk/>

Clubs

We have had two exciting assemblies to introduce our after school clubs. Hannah from Boogie Pumps got the whole school dancing. It was great fun learning a new dance.

On Wednesday, Lucy from Genie Lab carried out lots of science investigations in our assembly. The children were mesmerised by what they could see. They were introduced to lots of scientific vocabulary but also had the opportunity to demonstrate what they already know.

Our clubs are: Monday – French, Tuesday – Boogie Pumps (dance), Wednesday – multi-sport, Thursday – science and Friday – football. These clubs run from 3pm to 4pm. Further details for some are attached.

We also have wrap around care available. Breakfast club is run by Mrs Gill from 7.45am and after school club is run by Mrs Moore and Mrs Harding-Thomas (Monday to Thursday) from 3pm to 5.30pm.

More information including how to book the clubs and wrap around care can be found on our website
